No public comment.

Commissioner Martens motioned to approve the consent agenda, to include all claims and to approve the February Minutes. Commissioner Joiner seconds motion; motion carried, 3-0.

Commissioner Martens motioned to approve Appendix C to Resolution #1014, 2019 BaRSAA allocation \$92,214.59, 5% match equal to \$4,610.73. Commissioner Joiner seconds motion. Commissioner Martens inquired as to why we are using Federal Mineral funds for this rather than Road Department funds, since the Road Department has ample funds and this could come out of capital outlay. Commissioner Lee states that we cannot use any gas tax funds to match. Appendix C to Resolution #1014 amended to reflect the match money for the 2019 BaRSAA (\$4,610.73) is to come out of the Road Department Capital Outlay Fund rather than Federal Mineral Funds. Motion carried, 3-0.

There being no further business to come before the Board at this time, they adjourned sine die.
